"PREPARED BY AND FOR THE CAST OF WALT DISNEY WORLD"

NOVEMBER 2, 1979

THANKS . . . FOR A SUCCESSFUL UNITED WAY CAMPAIGN!

Dear Cast Members:

Our 1979 United Way Campaign has come to a successful end, thanks to the tremendous response you have given for this very worthy cause.

I would like to take this opportunity to personally thank each and every one of you for the effort you have put forth on behalf of the community in which you live. Whether your contribution is 5 cents or \$5, it **does** make a difference in the services our United Way agencies are able to provide.

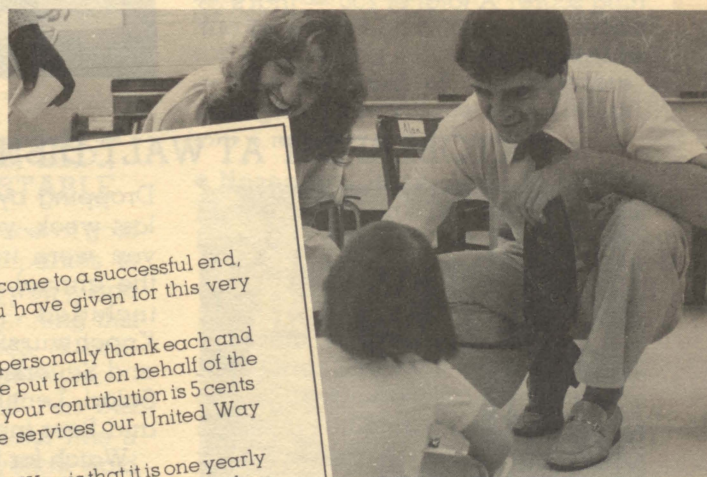

The significant thing about the United Way is that it is one yearly campaign to provide funding for 75 local organizations. And when you consider that contributions to the United Way are strictly voluntary, it is very encouraging to note that our Walt Disney World cast members were concerned enough about their community to contribute our goal of \$250,000! This outstanding support for our United Way by WALT DISNEY WORLD cast members helped us reach our Central Florida goal of \$3 million — money for services to help fellow cast members, our neighbors and friends.

It was a tremendous campaign . . . thank you for making the community in which we live a better place to be!

Sincerely,

Bob Allen

Bob Allen
Vice President

AMBASSADOR ANNOUNCEMENT CEREMONY TODAY

Our 1980 Walt Disney World Ambassador will be announced at a special ceremony at Cinderella Castle forecourt at 11 a.m. today. All cast members are invited to be on hand to congratulate our new Walt Disney World Ambassador.

CRENSHAW AND BURNS WIN GOLF CLASSIC

The team of Ben Crenshaw and George Burns was clearly the favorite as our 1979 National Team Championship Golf Classic entered its final rounds Sunday. The team was rightfully confident that their early lead was sufficient to keep them ahead of the other teams. The winning score? A total of 255 — that's 33 under par — not a bad score for our winning team!

OKTOBERFEST AT WALT DISNEY WORLD

Dropping by Fantasyland Cafeteria last week, you would have thought you were in Germany celebrating the annual Oktoberfest. The menu included "Forellen Weiswein," Knochwurst, Sausage, Bratwurst and Sauerkraut, Hot German Potato Salad, Lentil Soup, and Hot Pretzels and Beer (near beer, of course!).

Watch for their next monthly party . . . it's all to thank you for being their guests!

SPOTLIGHT MEETING SCHEDULED

There's still time to join the staff of Spotlight Magazine in producing the Winter 1980 edition. Talented writers, artists, photographers, and creative thinkers are needed.

If you'd like to add your name to the list of contributors, attend our next Spotlight meeting, **Wednesday, November 7, at 5:00 p.m.** at the Cast Activities Lounge, second floor of the Center Building.

SPEND A NIGHT AT FORT WILDERNESS AT A DISCOUNT!

During the next few months our Fort Wilderness Campground is offering a special discount to cast members who wish to bring their families out for an evening of camping.

Cast members can receive 50% off the normal cost of a campsite or a Holiday RV camping trailer while this special discount is in effect — **now through November 16, November 25 through December 16, or January 6 through February 14.** Cast members will be accommodated on a first-come-first-served basis.

Campsites will be available at \$9.54 or \$10.60 per night.

Holiday RV camping trailers, owned and operated by a private company, accommodate four adults and two children and will be available for \$31.80 per night, which includes a campsite.

Call our Central Reservations Office at 824-8000 to make reservations and remember to identify yourself as a Walt Disney World cast member to receive this special discount.

If you are interested in reserving a Holiday RV, call 828-8181, and again, remember to identify yourself as a cast member.

Since many of our guests plan their visits during the weekends, you may find reservation availability limited on Friday and Saturday evenings with more availability Sunday through Thursday.

VP/DIRECTOR DUTY SCHEDULE

For the past several months our Walt Disney World Vice-Presidents and Directors have scheduled time for themselves to visit our Magic Kingdom Theme Park, Lake Buena Vista, and resort areas to better understand our guest experience as well as the working experience for our cast members. They will continue to visit these areas throughout the coming week.

LETTERS TO US

To the Cast of Walt Disney World:
Thank you for the pretty bouquet of flowers sent to me while I was in the hospital.

Loretta Simmons

"It Takes People"

Our 1980 Walt Disney World Ambassador finalist from the Empress Lilly is **Monica Hallecks**. Monica was born in Seoul, Korea, and since her father was in the service, has traveled all over the world. Throughout her travels, Monica acquired a thorough knowledge of the German language which is probably very helpful when German visitors visit the Baton Rouge Lounge!

Monica's family finally settled in Clermont and after graduation from Clermont High School, she began her studies at the University of Central Florida where she's majoring in Marketing. Monica also holds a realtor's license and enjoys selling real estate in her spare time.

She joined our Walt Disney World cast in 1974 as a Casual Regular at Liberty Tree Tavern joining the cast at the Empress Lilly in 1977 as a permanent. She likes to keep active, playing tennis, water skiing, and dancing in her "spare" time!

The entire Central Reservations Office is thrilled that **Katie Krause** became one of our four Ambassador Finalists. Katie joined our Walt Disney World cast as a reservationist last June. She was informed that she made our top four while at work which created an immediate cheer from the other reservationists.

Katie was born and raised in Boulder, Colorado, where she attended the University of Northern Colorado before deciding to move to Florida. Since no one believed she'd really move, Katie said it was a very unemotional farewell at the airport. But after she'd lived here for four months, her family and friends decided she was serious and came for a visit.

At the moment, Katie is living at a ski center in Groveland where she helps out in her spare time. She also skis, sews, and sings as her hobbies. Katie told us she has really appreciated the opportunity to participate in our Ambassador Program and that she's enjoyed meeting everyone involved.

Originally from Havana, Cuba, **Maria Fernandez** still speaks fluent Spanish which has helped her communicate with many of our foreign visitors here at Walt Disney World. Maria joined our cast as a Casual Temporary in 1973 and has worked in Wardrobe, Guest Relations, and is now a receptionist at the Walt Disney World Village at Lake Buena Vista.

After Maria's family moved to Orlando, Maria graduated from Bishop Moore High School and attended Valencia Community College. Maria likes to dance, take care of plants, and she still tries to run every day . . . something she picked up in high school when she participated in Track and Field events. She's also teaching Sunday School and helps out at home with her five brothers and sisters.

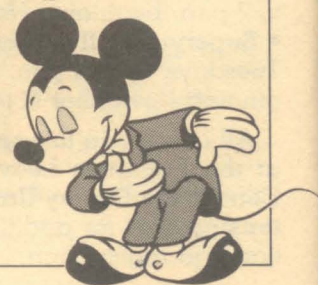

Maria's father is also a member of our cast. **Tony Fernandez** is part of our Custodial team!

Guest Relations' **Joyce Hughes** decided to apply for the position of Ambassador after talking with our current Ambassador, Pam Carpenter. Joyce decided that just interviewing for the position would be a learning experience and she says making the top four finalists has been more than she could have ever imagined.

Joyce was born in Rio Claro, Trinidad, and attended Beacon's College studying English History before deciding to travel throughout the United States. She joined our Walt Disney World cast in June 1976 as a Casual Temporary in Tomorrowland Operations. When the summer was over Joyce transferred to Fort Wilderness. In 1977, Joyce was ready for more travel and headed for California. She came back in May of 1978, returning to our Operations Division, transferring to Guest Relations this year.

Sometime in the future, Joyce said she'd like to return to school for a degree in Merchandising. But her one definite plan is to continue traveling!
